DISTRIBUTORSHIP

“At WINSTONE, our Business Partners are the most eminent part of our Mission. A proved business model is the base of success, team building, financial freedom and the most prominent your **ENTREPRENEURSHIP.**”

Winstone Retail Pvt Ltd providing you a modern business model where you can find entrepreneurship inside you. A platform where our distributors can register themselves with completing their KYC online at www.ayurvedika.com and purchase the product at distributor price and are also free to promote the concept to empower the consumers via our compensation plan

10 BUSINESS Ways of EMPOWERMENT

1. RETAIL PROFIT UPTO 30%

Sharing AyurVatika products directly to the customer is the first step to success and building a solid foundation for your business. Sharing the products is the surest method of earning immediate income, as you build a long term business of satisfied customers.

Retail profit is the margin between the price at which the registered distributors purchase the products (DP price) and sell at MRP. The margin money is your income you earn.

DP	- Distributor Price
MRP	- Maximum Retail Profit
PBV	- Personal Business Value
CCBV	- Current Closing Business Value
TABV	- Total Accumulated Business Value

2. ACTIVE BONUS

This is Your First Purchase , after this purchasing you are now active to earn good incentives. You select your package here and purchase and you become eligible to sponsor new member in your team. New members will create a good incentive for you, and 1 PV business in both side will create 1 ACTIVE BONUS POINT which is equal Rs 200, Sealing / Capping is implementing for Rs 2000 per closing*

Inspiring Your Life

SUBMISSION

3. PERFORMANCE BONUS 5% to 15%

Performance Bonus is the initial stage when you start to earn. You start earning by your first purchase. And you get difference income from the Direct Sponsor's % from your Left Side Team and Right Side Team. You are free to sponsor unlimited distributors in your LST & RST. More direct sponsors will create more income.

Accumulated business value decide your level of percentage as the table below indicates . . .

Total Accumulated Business Value	Level of Percentage
00 - 1499	5%
1500 - 9999	8%
10000 - 39999	10%
40000 - 79999	12%
80000 - 119999	14%
120000 +	15%

4. START-UP BONUS - 10%

Winstone compensation business plan allocates 10% of total CCBV collected in a month to share those qualified distributors whose LST & RST 2000 : 2000 business value collect 1 SUB point, as more business collected in month you will get more SUB points and it will generate more incentive for you. 10% of company's total collected business value divided by the total number of SUB points made in a month is the exact value of the point. This value multiply your earned SUB points

$$\frac{10\% \text{ of CTO}}{\text{Total Collected SUB Points}} = \text{SUB Point Value}$$

5. DIRECTOR BONUS - 12%

Director Bonus is another milestone of your success business model where company allocates 12% of total collected business value in a month and distribute to all qualified directors. To qualify this bonus you must qualify director level but by both team with minimum qualification of LST : RST = 60000 : 60000 TABV. This bonus will not be given to those directors whose director level is qualified only by LST or RST. To achieve this bonus you must have matching of 10000 : 10000 CCBV to get one DB point. Maximum business value will generate maximum points and the maximum points will create maximum bonus

$$\frac{12\% \text{ of CTO}}{\text{Total Collected DB Points}} = \text{DB Point Value}$$

LEADERSHIP

6. LEADERSHIP BONUS - 15%

Leadership Bonus is most awaited success status/level where company allocates 15% of total collected business value in a month and distribute to all qualified gold directors. To qualify this you must qualify gold director level with two directors with minimum qualification of LST or RST = 120000 TABV To achieve this bonus you must have matching of 25000 : 25000 CCBV to get one LDB point.

Maximum business value will generate maximum points and the maximum points will create maximum bonus

$$\frac{15\% \text{ of CTO}}{\text{Total Collected LDB Points}} = \text{LDB Point Value}$$

“Don’t tell people your plan
Show them your RESULT.”

7. CAR FUND - 3%

Winstone helps to its distributors to fulfill their dream of purchasing Dream Car. When a distributor once complete TABV in the both team as 3Lac : 3Lac LST:RST, then a distributor can enjoy this income by completing 50000 : 50000 CCBV in his LST : RST, this matching ratio will get 1 CAF Point . In the multiplication of 50000 matching the number earned of points will be increased. For car fund company allocates 3% fund of its total collected business value in a month.

$$\frac{3\% \text{ of CTO}}{\text{Total Collected CAF Points}} = \text{CAF Point Value}$$

*Car fund will only be released at the time of purchasing the car
